SAFETY
without compromise

**MARINE SAFETY SERVICE
& SHIP SUPPLY**

Turkiye - Europe - USA | 24/7 | www.ozmaritime.com

SOMEWHERE AT SEA TONIGHT, A CREW IS TRUSTING EQUIPMENT THEY HOPE THEY NEVER NEED. WE SERVICE IT AS IF THEY WILL.

Established in 2012 and built on professional experience dating back to 1990, OZ Maritime is an international marine safety group operating across Turkiye, Europe and the USA. With our own service stations, factory-trained and class-certified engineers, and a digital-first infrastructure, we deliver one standard at every port call: excellence.

FROM 1990 TO TODAY - COMMITTED TO THE SAFETY OF EVERY VESSEL WE SERVE

3

GLOBAL HUBS

35+

YEARS EXPERIENCE

1000+

ANNUAL SERVICES & SUPPLIES

60+

INTERNATIONAL APPROVALS

ONE PARTNER. EVERY PORT.

Own service stations in Turkiye, our own Europe hub and engineers across Western Europe, and approved partners in the USA - coordinated from one center, reachable 24/7.

TURKIYE

Own stations: Tuzla (HQ), Yalova, Iskenderun, Mersin. Full service scope, laboratory and stocked warehouses.

EUROPE HUB

Netherlands, Belgium, Germany and France - attended with our own engineers, from our own premises.

USA

New York & New Jersey ports: FFE, LSA and calibration services through approved partners.

24/7 EMERGENCY ATTENDANCE - ONE COORDINATION CENTER - ONE STANDARD

THE FULL SAFETY CYCLE. ONE PARTNER.

Every statutory safety requirement of a vessel - fire fighting, life-saving, testing, calibration, analysis, radio survey and supply - handled by one partner, to one standard, on one portal.

EXECUTED TO SOLAS, IMO CIRCULARS AND MANUFACTURER PROCEDURES

Reported live on OZ Digital - Client Hub

01 FIRE FIGHTING (FFE)

Inspection, maintenance, refilling and hydrostatic testing of portable extinguishers, fixed CO2, foam and water-mist systems, fire detection and galley suppression - with class-witnessed testing where required.

GOVERNING REFERENCES SOLAS FSS Code - MSC.1/Circ.1432

01

02 LIFEBOAT, DAVIT & WINCH

Annual and 5-yearly thorough examinations, overload tests, on-load release gear overhaul and dynamic brake tests by certified service engineers.

GOVERNING REFERENCES IMO MSC.402(96) - LSA Code

02

03 LOAD TEST

Proof load testing of davits, cranes, lifting appliances and loose gear with certified water bags and calibrated dynamometers; certification issued on completion.

GOVERNING REFERENCES ILO 152 - LSA Code

03

04 LIFERAFT

Approved-station servicing of inflatable liferafts: inflation, NAP/GI tests, HRU replacement, repacking and certification for all major brands.

GOVERNING REFERENCES SOLAS III/20.8 - A.761(18)

04

05 CALIBRATION

UTI tapes, gas detectors, pressure gauges, thermometers and torque tools calibrated in our laboratory or on board, with traceable certificates.

GOVERNING REFERENCES ISO/IEC 17025 aligned

05

06 ANALYSIS

Laboratory analysis of foam concentrate, CO2 purity, fuel, lube oil and water samples - results reported with pass/fail against the governing standard.

GOVERNING REFERENCES IMO MSC.1/Circ.1312

06

07

GMDSS RADIO SURVEY

Annual GMDSS radio surveys, EPIRB and SART testing, battery replacement and shore-based maintenance with flag-recognized documentation.

GOVERNING REFERENCES SOLAS IV - IMO A.702(17)

07

08

SHIP SUPPLY

IMPA-coded supply of safety equipment, stores, valves, chemicals and consumables - delivered by our own logistics network. See the Ship Supply section for full range.

GOVERNING REFERENCES IMPA coded - SOLAS/ISO compliant

08

ONE CALL. ANY PORT. 24/7.

Emergency attendance coordinated from a single center - Türkiye, Europe and the USA.

+90 216 591 07 39 - info@ozmaritime.com

RELIABLE SHIP SUPPLY & LOGISTICS

Stocked warehouses, controlled logistics and international delivery. All supplied products comply with SOLAS, ISO and class requirements - quoted with IMPA codes, delivered on time.

SAFETY EQUIPMENTS

Lifejackets, immersion suits, EEBD, pyrotechnics, fire fighting equipment

DECK STORES

Ropes, paints, tools, hardware and consumables

TECHNICAL STORES

Bearings, gaskets, filters, engine room consumables

MARINE VALVES

Globe, gate, check and butterfly valves - all sizes

SHIP WINDOWS & WIPERS

Bridge windows, wipers and spares

RUBBER SOLUTIONS

Hoses, sheets, seals and moulded parts

MARINE CHEMICALS

Cleaning, treatment and test chemicals

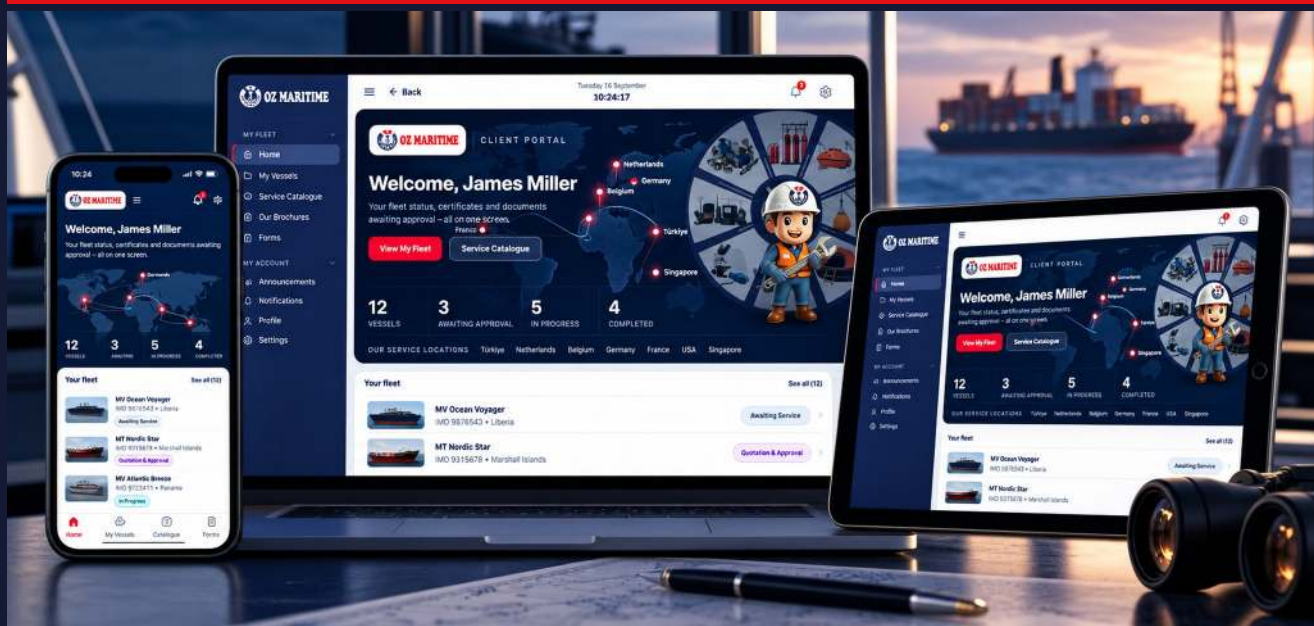

LOGISTIC & DELIVERY

Own vehicles, port passes, worldwide forwarding

IMPA CODED QUOTATIONS - OWN LOGISTICS NETWORK - WORLDWIDE DELIVERY

YOUR ENTIRE FLEET. ONE LIVE SCREEN.

Built in-house by OZ Maritime and live for all clients. From service request to final certificate, everything happens on one portal - visible, verifiable, one click away.

01 / LIVE TRACKING

Quotation, work order, progress photos, delivery - stage by stage, live.

02 / ONE-CLICK APPROVAL

Approve fully or partially, item by item, with notes. Revised PDF instantly.

03 / QR-SEALED DOCUMENTS

Reports, certificates, invoices - verifiable by any surveyor in seconds.

04 / DIGITAL ARCHIVE

A folder per vessel, forever. Download any document, any time.

05 / EXPIRY GUARDIAN

Certificate expiry tracked fleet-wide, with alerts before deadlines.

06 / INSTANT NOTIFICATIONS

New quotation, report or delivery note - your team knows the second we publish.

ACCESS

1

PORTAL FOR YOUR FLEET

100%

VERIFIABLE

SIMPLIFY COMPLIANCE. FIX YOUR BUDGET.

Consolidate your fleet's FFE, LSA and calibration needs under a single Global Fleet Agreement: predictable costs, standardized service quality and one coordination center for all ports.

FIXED ANNUAL PRICING

One agreed price list across the fleet - no port-by-port surprises.

SINGLE POINT OF CONTACT

One coordination center plans every attendance, worldwide.

CONSISTENT STANDARDS

The same certified procedure and reporting at every port call.

PRIORITY ATTENDANCE

Fleet clients are scheduled first - including 24/7 emergencies.

HOW IT WORKS

1

FLEET REVIEW

We map your vessels, equipment and certificate calendar.

2

ONE AGREEMENT

Scope, ports and fixed pricing agreed in a single document.

3

WE TAKE OVER

Planning, attendance and reporting - managed by OZ, visible on OZ Digital.

AUTHORIZED. CERTIFIED. TRUSTED.

OZ Maritime operates under ISO-certified quality systems and holds approvals from leading class societies, flag states and OEM manufacturers.
