

OZ MARITIME

SAFETY WITHOUT COMPROMISE

Global Marine Safety & Compliance Partner.

TÜRKİYE | EUROPE | USA

Engineered for Safety. Built for Compliance.

OZ Maritime is a specialized marine safety group delivering class-approved FFE, LSA, and Calibration services globally. While formally established in 2012, our operational excellence is built on foundations laid in 1990.

With strategic hubs in **Türkiye, Netherlands and USA** we combine decades of field experience with a digital-first approach. We don't just service equipment; we provide shipowners with total visibility and control over their fleet's safety compliance.
