

OZ MARITIME

ONE PARTNER NO STANDARD TOTAL CONTROL

Fleet Service Agreement

SIMPLIFY COMPLIANCE. PREDICT COSTS.

THE POWER OF CONTROL

Managing compliance for a global fleet using multiple vendors creates administrative burden and financial risk. OZ Maritime replaces this complexity with a single, streamlined solution.

TRADITIONAL (AD-HOC) WAY	THE OZ AGREEMENT
✗ Unpredictable Costs Prices vary by port, agent fees, and last-minute surcharges.	✓ Fixed Global Tariff Know your annual budget in advance. No hidden fees in key hubs.
✗ Manual Tracking Your superintendents chase dates on Excel sheets. Risk of overdue certificates.	✓ Auto-Compliance We track every expiry date. We notify you 90 days in advance.
✗ Inconsistent Quality Different technicians, different reports, different standards.	✓ One Standard Same high-quality services across Türkiye, Europe and authorized service networks in the USA.

"Stop managing vendors. Start managing safety."

By consolidating your services with OZ Maritime, you significantly reduce administrative workload and operational risk across your fleet.

SEAMLESS OPERATIONS

Focus on your voyage; leave the compliance to us.

Through our proactive tracking system, we monitor your fleet's certificate status in real-time. We act proactively, without waiting for service requests.

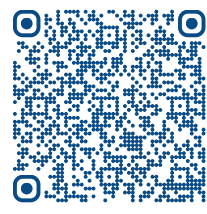

We alert your technical team well before certificates expire and schedule inspections at the most convenient ports (Istanbul, Rotterdam, Hamburg, New York, etc.), eliminating the risk of Port State Control (PSC) detentions.

Your safety is our priority.
